FOR IMMEDIATE RELEASE

Project Green AV – Where Green Ideas become Great Ideas - Announces new Search Feature, powered by Google

Bohemia, NY — December 4, 2008

Find Green Ideas quickly and easily with the new Project Green AV Search, powered by Google. Project Green AV's new search feature enables AV businesses and consumers to navigate our site to get the Green information they need when they need it.

Quick links to the Green & Government Page allow Project Green AV visitors to look up recycling programs, tax incentives and government regulations by state. Searching for terms connects to the Project Green AV Glossary, a comprehensive list of what businesses and consumers need to know to turn Green Ideas into Great Ideas.

Access the most pertinent Project Green AV information instantly with the new Project Green AV Search, powered by Google.

Project Green AV is the industry resource for Green information & ideas for Audio Visual industry. Project Green AV is committed to bringing together colleagues and consumers involved in the AV industry to learn about, discuss and teach environmentally responsible and cost-effective solutions for AV purchases, installation, new technology and projects. For more information about Project Green AV, contact Gina Sansivero: gms@projectgreenav.com or 631-244-0051 ext. 104.
